OsakaBoi Pixel 7

...

All the r/GooglePixel posts featured in today's event

During the chat with Jimmy and Rick, they shared some posts from this subreddit ([link to video](#)). I wanted to see if they didn't "manufacture" the posts since the rest of the presentation seemed very manufactured.

These were the featured posts

[Circle to Search](#)

[Life saving Crash detection](#)

[Confused iPhone users when taking photos with Pixel](#)

Was nice to see the subreddit featured.

Pixel 10 Pro

They should have featured this one: <https://www.reddit.com/r/GooglePixel/comments/1mvkqkk/>

**krishpotluri** • 6mo ago

Pixel 9 Pro XL 📱

They should've shown this one - <https://www.reddit.com/r/GooglePixel/s/lxWkc890IS>
