Google Pixel 10% referral Mega thread

Welcome to the Mega Thread! Please upvote the original post for visibility. You are welcome to share your codes in the comments. To ensure fairness, please redeem the oldest codes first and comment when you have done so.

Details:

This unique Referral code entitles a friend ("Code receiver") to 10% off the price of Pixel Phone ("Qualifying device") on Google Store and must be used by 2/28/2026 or it will expire. Share this Referral code and, if your friend (i.e. Code receiver) purchases and keeps the Qualifying device ("Qualifying purchase"), you (i.e. Code giver) will earn a \$50 Google Store credit ("Referral reward"). The Referral code can be used by one individual Code receiver. You (i.e. Code giver) may receive up to ten (10) Referral codes and can earn up to a maximum of \$500 in store credit during the promotional period, which ends 1/31/2026. Uses of the Referral code by Code receivers in excess of ten do not constitute a Qualifying purchase for a Referral reward. Your \$50 Google Store credit will post to your Google Account generally within 15 days after the Code receiver's remorse period for return of the Qualifying device which is generally 30 days, and your Google Store credit will expire 365 days from the date of issuance. Referral reward will be voided by a Code receiver's return of a Qualifying device.

To redeem the Referral code, the Code Receiver should visit store.google.com, sign-in with their Google account credentials, add a Qualifying device to their cart, and enter the Referral code as a promotional code during checkout to receive the 10% discount. Discount will be applied at checkout.
